From the Engineer officer, T & I Board

S 30 dt 30-4-45

1) Suggests that the advance grant of Rs 8 lakhs sanctioned by the Govt for the 1st stage of the Scheme to develop an Industrial Suburb to the west of Bangalore, may be ordered to be treated as a grant to be merged in the general balance of the Trust Board Fund and 2) whether it would not be sufficient to the Bangalore City Municipality so as to cover the area selected for the Industrial Suburb, instead of amending the Trust Act

Regarding Suggestion No I, the Comptroller may perhaps be consulted. The Sum of Rs 8 lakhs is treated as an Advance to be recouped eventually by the sale of sites in the Industrial Suburb area, according to G.O. No L 10656-64 / Md 120-44-3 dt 26-4-45

2) Regarding suggestion No II action is being taken to amend the Trust Board Act, shortly.

P.L. put up a copy of the G.O. dated 26/4/1945 re the Industrial Suburb.

U.O.No.217/Loans dated 22nd June 1945.

Returned with Compliments:-

9) According to para 2 of G.O. dated 26-4-45, the cost of the first stage is estimated at Rs.22.42 lakhs which has to be recouped by sale of sites. It does not appear to be the intention of Government to charge off the expenditure finally in accounts and to take the receipts realised by sale of sites as Revenues of Government, though this course may be adopted as it is not known what amount is likely to be realised by sale of sites etc., further the expenditure has to be properly accounted for under sub heads and detailed heads such as Land acquisition charges, formation of roads etc., Electric lighting, water supply etc. The annual grants required for expenditure has to be voted by the Legislative Council and distributed among the heads of accounts.

10) If the amounts drawn by the Engineer Officer, City Improvement Trust Board (in lump) out of the advance of Rs.8 lakhs are treated as advances and booked under an advance head the difficulty arises as to how the amount should be drawn from Treasury for expenditure and how the actual amount expended should be shown in accounts. If it is charged off in the Treasury accounts under "Advances" the Engineer Officer, City Improvement Trust Board will have to take the amount drawn from the Treasury as credit to P.W.Deposits against which actual expenditure incurred by P.W.Pass Orders drawn has to be charged. There will be no detailed heads for expenditure in Comptroller's books. How receipts by sale of site will have to be accounted for is another difficulty

11) avoid all these complications in accounts, the

NOTE—Contn Sheet

Serial No

the following procedure may be adopted:-

i. Funds for expenditure will be drawn by the Engineer, City Improvement Trust Board by means of P.W.Pass Orders as in the case of Bangalore City Improvement works and will be included in the monthly accounts rendered to Comptroller. The actual expenditure will be booked under a new head to be opened "Formation of an Industrial suburb in Bangalore-30 Grants for Public Improvements." The details of heads to be opened etc., will be got settled in consultation with Comptroller. Receipts by sale of sites will be booked under Revenue under XIII Miscellaneous.

No amount need be paid by Government as an advance to be recouped by receipts as in this case, the receipts have no relations to the expenditure incurred. Excess expenditure will have to be written off and excess receipts will have to be taken as profit.

A proforma a/c may be obtained

2). Funds required by the Deputy Commissioner, Bangalore District, will be drawn as usual and included in the accounts of the Engineer Officer by adjustment in accounts.

3). An annual account with report will be rendered to Government by the Engineer Officer through Comptroller re: the activities of the Department and the financial results of the undertaking.

C. Srinivasa Iyengar
Comptroller Incharge.

OFFICE OF
The Engineer Officer, City Improvement
Trust Board, Bangalore.

Date 30th April 1945

To

The Secretary to Government,
Law Department, Bangalore.

Sir

Scheme to form an Industrial Suburb in Bangalore.

With reference to G.O.No.L-10656-64-M1-190-44-3 dated 26th April 1945 sanctioning the above scheme, I have the honour to state that in para 3 of the G.O. it is stated that towards the initial expenditure on the first stage of works an advance of Rs. 8 lakhs is sanctioned and in para 4 of the G.O. it is stated that the scheme will be entrusted to the Bangalore City Improvement Trust Board for execution. But according to section 30 of the Bangalore City Improvement Trust Board Act the charges pertaining to the Board have to be met out of improvement Fund which is meant to take all credits and debits. Therefore the opening of a separate advance account for booking transactions pertaining to the Scheme of Industrial Suburb independent of the Fund Account appears to be contrary to the provisions contained in the Act. I suggest for kind consideration of Government that the advance of Rs. 8 lakhs may be ordered to be treated as a grant to be merged in the general balance of the Fund. It is also felt that, by this arrangement, it will help maintenance of a simple account.

As regards the proposal in para 4 of the G.O. that the City of Bangalore Improvement Act has to be suitably amended to allow the Trust Board to operate in the area selected for the suburb, perhaps in view of the limitation imposed by the Act that it extends only to the City of Bangalore, I wish to submit as an alternative if it would not suffice if Government extend by a notification the existing Municipal limits as empowered in Section 2 of the Act.

I have the honour to be,
Sir,
Your most obedient servant,

Y. Ramaswamy
Engineer Officer,
City I.Trust Board.

Serial No 2

Proceedings of the Government of His Highness the Maharaja of Mysore

Read—1) G.O. No L. 1065-6-64/ML 170-44-3 dated 26-4-45 sanctioning the scheme for the formation of an industrial suburb to the west of Bangalore, and also an advance of Rs 8 lakhs for the initial expenditure on the first stage of the works, with the direction ~~Order thereon—No~~ ~~2)~~ that the execution of the scheme be entrusted to the ~~Bangalore~~ City Municipal Council Board Bangalore.

2) Letter No 530, dated 30-4-45 from the Engineer Officer, C.M.C. Board, Bangalore, suggesting that the advance of Rs 8 lakhs

referred to above, be treated as a grant to be merged in the general balance of the Trust Board Fund so as to facilitate the maintenance of a simple account.

3) W.O. note No 217/Loans, dated 22-6-45 from the Comptroller on the subject.

Order No. L-920-4 D 9/8/45

Government are pleased to direct that the following procedure may be adopted in accounting the transactions relating to the formation of an Industrial Suburb to the West of Bangalore:—

Funds required for expenditure in connection with the Industrial Suburb will be drawn by the Engineer Officer, City Improvement Trust Board, Bangalore, by means of P.W. Pass orders in the case of the Bangalore City Improvement Works, and will be included in the accounts rendered to the Comptroller.

The actual expenditure will be

List of Enclosures
